JACK ANDERSON'S WASHINGTON LETTER  
June 1985 Volume II No. 11

May 21 -- Obtained sensitive CIA report on whereabouts of Nazi death-camp doctor, Josef Mengele, world's most wanted fugitive. Last August, "unconfirmed sightings of Mengele were reported in Paraguayan border cities." CIA report added this startling disclosure: "Israelis knew where Mengele was on several occasions but decided against an Eichmann-style kidnap attempt." CIA has received repeated reports that Mengele, under alias "Henrique Wollman", is engaged in drug smuggling. There's also one report that "Mengele had undergone plastic surgery and looked much younger than his age."
